Hello, readers!

We hope you enjoyed this new manga we've picked up! We ourselves have found it to be super cute and we urge you all to support the mangaka by buying a copy of her work.

If you wish to get manga quicker, please consider joining our team. We could really use some extra dedicated people to make sure our readers get the best experience!

Visit our forum for more information on joining, who's who, why you should only read on bato.to, and why sites such as MangaFox are bad.

We at Cookie Revolution Scans are great supporters of **body positivity**

This manga really struck a chord with me, because I feel like skinny people are often excluded from the movement. We're quick to think they must have it easy and forget that skinny-shaming is, sadly, a thing. People of all shapes and sizes have a hard time trying to get to an **unreachable image**. That's why I wanted to spread a short message of self-love to all of you beautiful people! Big, small, odd, or "just right", you all matter! (๑_๑)~♡

WE URGENTLY NEED EXTRA STAFF FOR OUR PROJECTS!

SICK OF STAMPS?

Hi, everyone!

We got in touch with Chibi Manga in order to clarify why they, too, were suddenly working on "Kimi wa Kawaii Onnenoko". As it turns out, CM had posted the project on their forum back in June 2016 and they explained that they had their release scheduled for March 2017. As you might expect, we thought it was a weird coincidence that it took them so long and that it's so shortly after our release, but sometimes that's the way the cookie crumbles

Because we're not part of their community, we did not know of their plans. However, as we've all bought the first 4 volumes already, we've agreed to both release the manga.

So, fear no, Dear Reader! We will continue to work on this project in perpetuity, or until we grow tired of it. Please, help us make a difference by reading our watermarked releases in order to save the scanlation community from DMCA notices.
